

ROCKLAND, MA, October 07, 2013 **/24-7PressRelease/** -- Maplewood Estates, a new subdivision located in Rockland, Mass., recently moved its sales office to 3 Saw Mill Lane, a model home within the complex.

"There were a number of reasons for the relocation. First and foremost, it's fairly convenient to the entrance of the subdivision and is easily accessible off Route 123," said Rami Itani, business manager for Stonebridge Homes, the builder for Maplewood Estates. "Second, 3 Saw Mill Lane showcases our EXETER Model. We recently held our first open house there on Saturday, September 21 and Sunday, September 22 and the response was quite favorable."

Coldwell Banker of Norwell, MA organized a Broker's Open House on Friday, September 20, in order to introduce the new model home and the turnout was spectacular. Local agents expressed a huge excitement on the progress and how beautiful the subdivision is.

The EXETER model is just one of 12 models available. Each model features quality construction and luxurious amenities.

Located off Webster Street in Rockland, Maplewood Estates offers a rural wooded setting with easy access to major highways and is situated fairly close to Rockland's brand new middle school and renovated high school. Set on 30 acres of natural wooded land, Maplewood Estates is zoned for 72 homes (there are presently 32 available home sites to build on).

Prices for homes at Maplewood Estates start at \$396,000 and model homes are available for tours, Monday through Friday, by appointment. Maplewood Estates hosts open houses on Saturdays and Sundays, 1pm to 4pm. Coldwell Banker Residential Brokerage in Norwell is the official realtor for Maplewood Estates.
