

Tayloe Marketing and Consulting Launches New Responsive Showcase Website and Domain

Written by Australian Business

VENICE, FL, October 08, 2013 **/24-7PressRelease/** -- Bradley Tayloe, President of Tayloe Marketing and Consulting is proud to announce that their new responsive website is live, and on a new domain. The new domain, <http://tayloeinternetmarketing.com> directs viewers to a visually appealing Public Relations and Marketing website design that offers potential clients an opportunity to see firsthand examples of previous work, testimonials, and service highlights. Most importantly the website is fully "Responsive", making it easily viewable in full form on most devices, from Smartphones to tablets, laptops to desktops.

Tayloe Marketing and Consulting's previous domain, <http://tayloemarketing.com> will redirect to their new domain, and their email address will remain the same at info@tayloemarketing.com. The change in domain name is to showcase the greater emphasis on Internet Marketing that Tayloe Marketing and Consulting is focused on. From Online HD Video Production to Website Design, Email Marketing to Social Media Marketing, and Public Relations, Tayloe offers premium Internet Marketing services to small businesses and professionals in Venice and Sarasota County for a value price.

About Tayloe Marketing and Consulting: Tayloe Marketing and Consulting was established in 2011 by Bradley G. Tayloe, MBA, to provide small businesses with an affordable marketing team. With over 17 years of marketing and sales experience, the team at Tayloe Marketing and Consulting provides premium Internet Marketing, Video Production, Website Design, and Public Relations services to small businesses and professionals throughout Southwest Florida.
