

CHARLOTTE, NC, October 08, 2013 **/24-7PressRelease/** -- One Hour Air Conditioning & Heating has been providing [air conditioning repair to Charlotte, NC](#) customers since 1971. Their Charlotte HVAC repair experts are an integral part of their longevity. The company is as dedicated to its employees as it is to its customers, and believes that a happy work environment translates to excellent customer service.

Team Member Profiles

One Hour Air Conditioning and Heating knows that people have many other choices for their [Charlotte heating and air conditioning](#) needs. That's why the company wants customers to know about its team. There is a profile of each employee, written by the employee him or herself, on the One Hour website. This includes everyone from the owners and management team to the service technicians and comfort specialists who will be coming into your home.

The employee profiles provide each team member's credentials and more. People can see just how much experience they have in heating and [air conditioning repair in Charlotte](#) and other areas. The employees also share a little information about themselves, their families and their interests outside of work.

Mike Fowler, Owner of One Hour Air Conditioning & Heating, says, "We know that many people are uncomfortable inviting strangers into their home, even when it is necessary. By providing photos and a little personal information about our team, we hope to show our customers who we are and why they can trust us to provide reliable HVAC maintenance and repair services."
