

Orlando Dentist Increases Patient Confidence Through Online Testimonials

Written by Australian Business

ORLANDO, FL, October 10, 2013 **/24-7PressRelease/** -- Dr. Marcia Martinez, Orlando dentist, appreciates feedback from her patients so that she can continue to provide superior dental care for her patients. Through her practice website at <http://www.martinezdmd.com>, patients can read other patients' comments, and they can leave their own. Dr. Martinez encourages her patients to leave testimonials to offer increased confidence for other patients.

"Through our testimonials, it allows my patients to share their experience with receiving dental health care at my dental office. I want to hear about my patients' experiences while receiving dental care at my office so that I can further shape the way my patients receive treatment," said Dr. Marcia Martinez, a dentist in Orlando.

While visiting the website for this Orlando, FL dentist, patients can access the testimonial page to view positive reviews from previous patients. Each patient has received various treatments from Dr. Marcia Martinez and the testimonials show their satisfaction with the services that they received in addition to their continual commitment to Dr. Martinez and her dental team for all of their dental needs.

The entire staff at Dr. Martinez' office is dedicated not only to restoring patient's teeth and gums to health, but also to focusing on preventive care and patient education. Their office maintains a comfortable, friendly atmosphere that puts patients at ease. Patients can improve their smile via Dr. Marcia Martinez, a cosmetic and family dentist in Orlando, far more comfortably than ever before at her dental office.

"It is always a pleasure to know what we are doing right, or what we may need to change in the future, stated Dr. Martinez, an Orlando, FL dentist. "Testimonials also offer other patients a way to build their confidence in receiving treatment by viewing past experiences that were positive."

One of the testimonial states, "Thank you Dr. Martinez for recommending me to Invisalign. This is the best procedure that was invented. I would recommend it to anyone because it really works. As long as you follow the instructions step by step then you will see results. I can say that my teeth are a perfect example of how good Invisalign works. My teeth were moving in every way and this product corrected everything. I feel very satisfied with the job done in the few months I've had them on. Thank you once again."

Making a patient's smile more attractive does not have to be "extreme" in any way. Dr. Marcia

Martinez maintains a goal with cosmetic dentistry - to help patients be more confident when they smile. Further proof of her continual dedication to providing exceptional dental health care can be seen through the numerous patient testimonials seen via the practice's website at <http://www.martinezdmd.com/testimonials.html>

.

About Dr. Marcia Martinez: Dr. Marcia Martinez, family dentist in Orlando, maintains a passion in dentistry since beginning her dental career in 1995 and opened her practice in 2001. Dr. Martinez is fluent in Spanish and enjoys helping people smile every day. On a daily basis she is grateful to provide her patients with beautiful and healthy smiles. This is a family tradition, as Dr. Marcia Martinez grew up observing her father, Dr. Julio Martinez, and mother, RDH Lilliam, work together to improve the lives of their patients. Dr. Martinez's father instilled the love of taking care of the patient in her. Both of her parents were born in Cuba, seeking freedom for their family they moved to Florida in 1968. Dr. Martinez is the youngest of three siblings and was born and raised in Orlando making her a native to the area. She attended the University Of Pittsburgh School Of Dentistry, where she graduated with her DMD in 1999. After graduation Dr. Martinez followed her husband to his business in Boston, only to return to her hometown of Orlando in 2001. She took over her father's practice, allowing him to retire knowing his patients would be well cared for.
