

Manhattan ENT Invites Patients to Make Appointments Online for Ease and Convenience

Written by Australian Business

NEW YORK, NY, October 10, 2013 **/24-7PressRelease/** -- Without interrupting their busy days, patients can now visit the website for Dr. Richard Nass-their Manhattan ENT-around the clock. Through the interactive practice website for Dr. Nass, patients can also utilize the online appointment requesting feature. The online appointment-requesting feature was added to provide patients with a convenient way to visit Dr. Richard Nass and his team of professionals when a problem arises with their ear, nose or throat in Manhattan.

By visiting the practice's website at <http://www.drrichardnass.com/> , patients can gain instant access to the online appointment requesting feature at any point during their day. From the homepage patients can simply select the "Appointment Request" link to bring them to the request form. If patients need to see a doctor right away, they can either fill out the form provided on the website, or they can continue to call Dr. Nass' office at (212) 734-4515. Whether a patient is in need of a hearing checkup or treatment for snoring in Manhattan.

"We understand how busy our patients are. For this reason we have added the online appointment requesting feature. From their office, home or even mobile device, our patients can request an appointment without interrupting their day. This allows us to better care for our patients without causing an interruption for them," said Dr. Richard Nass, an ENT in Manhattan.

Dr. Richard Nass and his dedicated team of professionals make every attempt to be as responsive to their patient's scheduling needs as possible. Once they hear from a patient, one of the professionals at Dr. Nass' office will contact the patient promptly to confirm the date and time for their appointment. Patients in Manhattan seeking snoring treatment or any other ear, nose and throat care can easily request appointments online with Dr. Richard Nass.

At his Manhattan ear, nose and throat office, Dr. Nass' goals are to find a solution that best serves each individual patient. With the commitment of Dr. Nass, patients can receive the care they expect and deserve. Dr. Richard Nass is a board certified otolaryngologist who provides the most qualified care possible for his patients in Manhattan, NY.

Dr. Richard Nass, Manhattan ENT, understands how health concerns can deeply affect patients' lives and their relationships with the people around them. Through the addition of the practice's convenient online appointment requesting feature, Dr. Nass remains at the top for treating snoring in Manhattan, as well as other treatments, procedures and services, providing patients with optimal ear, nose and throat care.
