

Option1 Mortgages Joins the Verico Mortgage Broker Network in Ontario, Canada

Written by Australian Business

TORONTO, ON, October 10, 2013 **/24-7PressRelease/** -- "By joining the Verico Mortgage Brokers Network, we have gained access to what we believe to be the best mortgage origination and support system in Canada.

"

After several months of planning, Marianne Lalonde would like to officially announce the launching of Option1 Mortgages for the Ontario market area. [Option1 Mortgages](#), part of Verico The Mortgage Wellness Group, serves the Ontario, Canada mortgage market.

Option1 Mortgages serves Toronto and the GTA area from their location at 400 Applewood Cres., Suite 100 in Vaughan, ON.

The Central Ontario market is served from their location at 525 Dominion Ave., in Midland, ON.

In looking to the future, Marianne's team saw a real fit in terms of what the Verico Network has to offer. The resources and lender sources made available to Option1 Mortgages by Verico are second to none and will help the business expand its level of customer service now and in the years to come.

Those wanting to take advantage of the current low interest rate climate on the purchase of a new home or wanting to refinance their existing home should [contact](#) Option1 Mortgages.

Option1 Mortgages provides its clients with residential and commercial mortgages, home equity credit, debt consolidation and assistance with financing concerns.
