

Ron Eiger of Empire Investors Group Offers Complimentary Investment Workshops

Written by Australian Business

ORLANDO, FL, October 12, 2013 **/24-7PressRelease/** -- Ron Eiger, Co-Owner of Empire Investors Group, is offering investment workshops in the local area that focus on planning for retirement.

Eiger's workshops help to diversify client portfolios by offering information and knowledge on the different sectors and products they can invest in (real estate, natural resources, etc.) "I have noticed how the workshops encourage clients to diversify their investments," said Eiger. The workshops touch on ways to better your savings plan for retirement, optimize those savings with IRA's and get your financial house in order. Diversification can be an important strategy designed to reduce the overall volatility of your portfolio, although it doesn't guarantee a profit or protect against loss in a declining market.

Ron has offered these workshops to local businesses, organizations or individuals as a complimentary service. If you are interested in attending or hosting one of Empire's complimentary financial workshops, contact Ron at 407-916-1230.
