EdibleBodyCandy.com Entices Couples into Wildly Delicious Foreplay with New Gourmet Collections

...every relationship needs a little flavor, a little fantasy, something new and adventurous to keep intimacy lively.

SAINT AUGUSTINE, FL, October 12, 2013 /24-7PressRelease/ -- Inspired by the combination possibilities of their mouth-watering body glazes, flavored body sprays and powders, EdibleBodyCandy.com announces the arrival of their three scrumptious new gourmet flavor collections.

At EdibleBodyCandy.com they believe every relationship needs a little flavor, a little fantasy, something new and adventurous to keep intimacy lively.

These new Body Candy Collections offer the perfect opportunity for couples to slow down, savor precious moments together and rekindle passion in the tastiest way imaginable.

[Passion Potion Flavored Body Collection](#) Like eating cake in bed with chocolate and cherries on top, Passion Potion Flavored Body Collection combines Body Candy's delicious Cupcake flavored body powder with Chocolate Ecstasy, a rich, chocolate flavored body glaze and Cherry flavored body spray. The directions are simple: spray, sprinkle or drizzle, lick and enjoy.

[Exotic Escape Flavored Body Collection](#) With his tropical collection, a little steel drum music and a few candles, couples are swept away into a tropical fantasy right in their own bedroom. Exotic Escape Flavored Body Collection features Pina'Colada flavored body spray, Caramel lick-able body glaze and Candy Explosion flavored body powder. It's a tropical vacation for under \$16.00 with no suitcases to pack.

[Forbidden Fruit Flavored Body Collection](#) A fruit flavored fantasy is enjoyed when the sensual fruity flavors of Watermelon Fantasy flavored body powder, Mango Passion flavored

body spray and delicious Strawberry lick-able body glaze come together to create the Forbidden Fruit Flavored Body Collection.

EdibleBodyCandy.com attributes their meteoric rise to their mind-bogglingly delicious flavors which have absolutely no chemical taste, zero after-taste and "no stick where you lick". They say that based on customer feedback, given the many scares with foreign products, customers appreciate the fact that all Body Candy's products are made in the USA.

These new flavor collections are not just for foreplay but make a tasty kiss anytime and more info can be found by visiting EdibleBodyCandy.com.
