

JC Danczak Launches Redesigned Website for BagGuy.com

Written by Australian Business

WESTFIELD, MA, October 12, 2013 **/24-7PressRelease/** -- JC Danczak, Inc. has launched a redesign of BagGuy.com, a website devoted to supplying poly bags and heat sealers at wholesale prices on October 9, 2013.

BagGuy.com will offers rock bottom prices on all types of poly bags including lay flat, gusseted, reclosable (ziplock), anti-static, poly tubing and heat sealers.

With only a \$50 minimum purchase you are able to take advantage on the markets best prices in polyethylene bags and tubing with the added benefit of being able to do it from your phone or tablet. The new BagGuy.com is mobile friendly.

"BagGuy.com has been a great source for all plastic bags for many years." said President and Owner of JC Danczak. Robert Danczak, "with this new design we know that our current and new customers will be able to find and shop for their products more efficiently leading to a more pleasing experience.
