To help patients feel at ease leading up to their first appointment, Dr. Oh has included all of the important office information and new patient details, such as registration forms on his website.

When new patients make an appointment with Valencia Dental Arts, they can conveniently visit the practice's website to learn more about the office, staff and services offered. Detailed directions to the office can be found on the office page, and registration forms can quickly be downloaded and completed to expedite the first visit to the office. With all of the important first visit information available online, patients can feel prepared leading up to their initial visit with Dr. Jason Oh, Valencia, CA dentist, of Valencia Dental Arts.

"The first visit to our office is one of the most important. We want all of our new patients to feel right at home the minute they walk through the door. Our friendly staff will greet you with a smile, and our caring team will spend ample time getting to know you and understanding your dental health and goals. To make the first visit even less stressful, we've included all of those necessary forms on our website so that you can download and complete paper work ahead of time," said Dr. Jason Oh, a dentist in Valencia, CA.

Dr. Jason Oh and his qualified team offer many smile-enhancing services, such as whitening, veneers, implants, crowns, dentures, root canal therapy and more. Not only is he a general dentist, but he also offers cosmetic dentistry in Valencia, providing many smile-enhancing cosmetic procedures that help patients achieve their flawless smile.

At Valencia Dental Arts, Dr. Oh is also committed to educating patients about good oral hygiene. Dr. Oh and his staff take the time to answer patients' questions during their appointments as well as explain the many ways a patient can improve oral hygiene and enhance their smiles. Outside of the office, patients can also visit the practice's website to access a patient-friendly dental library and educational videos related to dental health. Social-savvy patients can also join the practice on Facebook and Twitter, or follow Dr. Oh's blog for regular postings about dental health.

From new patient forms and online appointment requesting to a full dental library and social networking, Dr. Jason Oh of Valencia Dental Arts strives to provide the most convenient, comfortable and quality dental care available.
