Dr Srinubabu Gedela in discussion with Dr Wegmann regarding Cellular and Molecular Biology journal

Dean Dr. Raymond J. Wegmann had interacted with 500 employees for three three days and stated that OMICS Publishing Group is a better publisher than any other publishing house.

HENDERSON, NV, October 14, 2013 /24-7PressRelease/ -- [OMICS Group International](#), a leading Open Access Online publisher and Scientific Event Organizer, announces with pride the collaboration with 60 years old journal of Cellular and Molecular Biology. Dr. Srinubabu Gedela, the Managing Director of OMICS Group International signed an agreement with Professor and Dean Raymond J. Wegmann, the founding editor of the prestigious journal at OMICS Office.

Established in the year 1950, [Cellular and Molecular Biology](#) journal is an interdisciplinary publication that publishes original research work in the form of articles, comments and reviews integrating molecular biology with fields like biophysics, biochemistry, enzymology, physiology and biotechnology in a dynamic cell and tissue biology environment, applied to human, animals, plants tissues as well to microbial and viral cells. Under the surveillance of 14 Nobel laureates namely Werner ARBER, Gunter BLOBEL, Christian DE DUV, Leo ESAKI, Pierre-Gilles de GENNES, Ivar GIAEVER, Robert HUBER, Harold KROTO, Jean-Marie LEHN, Hartmut MICHEL, Ferid MURAD, Ilya PRIGOGINE, Jens C. SKOU, Torsten N. WIESEL, Cellular and Molecular Biology has achieved the pinnacle of success and will continue to accomplish the same. The journal is therefore open to intense interdisciplinary exchanges in medical, dental, veterinary, pharmacological, botanical and biological researches for the demonstration of these multiple links.

Cellular and Molecular Biology (ISSN: 1165-158X) is the 301st journal under its open access umbrella of OMICS Publishing Group and aspires for its continued success with the support of eminent editors from around the world. Indexed/Abstracted in more than 35 retrieval Journals, and among them: MEDLINE/PubMed, BIOSIS Database, Current Contents, Index Medicus, PASCAL/CNRS Database, Cam. Sci. Abstr., CAB Inter., Chem. Abstr. Service, RIS in Reference Update etc are the prime platforms.

Dr. Srinubabu Gedela is the founder member of the [OMICS Group International](#) that publishes more than 300

[scholarly open access journals](#)

, peer reviewed online journals in sciences, engineering & technology, pharmaceutical and management disciplines. OMICS Group is an exemplary event organizer that conducts 100

[International scientific conferences](#)

, workshops and events across the globe. With offices in India, USA, Europe, Dubai and Asia Pacific, OMICS Group International tied up with 100

[scientific associations](#)

and agencies to make healthcare information open access.

Born in France, in the year 1923, Dr. Raymond J. Wegmann, has a multifaceted personality as a researcher, academician, publisher and scholar. Dr. Raymond attained his Doctor of Medicine in Paris and he has a Masters degree in Arts and Philosophy. He has got diplomas in Pathology, Bacteriology, Coprology, Hematology, Serology, and National Diploma of Specialist in Biology to his credit. He is a National Expert in the fields of Toxicology, Pharmacology and Pathology. He holds several prestigious positions as organizing committee member, Director and founder and is a member of many reputed scientific societies like American Chemical Society, American Heart Association, SIRMCE, etc. He has authored eight Science books and worked as co-author for four other books since 1960 to date. He is the founder and Editor-in-Chief of the ANNALES d'HISTOCHIMIE and Editor-in-Chief of CELLULAR & MOLECULAR BIOLOGY. He has got several meritorious distinctions and awards to his credit. Owing to what controversies Dr. Wegmann is possessing with other publishers he stated that, OMICS Publishing Group is a better publisher than any other publishing house.

The agreements between the two publishing groups attain significance at this juncture, where Dr. Raymond J. Wegmann personally visited and signed the agreement in the presence of Dr. Srinubabu Gedela at the office of OMICS Group where he discussed and shared his experiences and upcoming ventures with 500 employees of OMICS Group for 3 successive days.

OMICS Group International (<http://www.omicsonline.org/contact.php>) is a peer reviewed Open Access journal publisher and world-over scientific event organizer, has taken various new initiatives like OMICS Group Mobile App, OMICS Group eBooks, OMICS Group French Edition, Young Scientist Award and Scholars Central. The group has published around 55,000 articles in more than 300 journals along with the 50 acquired journals which were procured from reputed publishers including Aston Journals (USA), Ashdin Publishers (USA), LibPubMedia (UK), La Prensa Medica (Argentina) & Oral Health and Dental Management (Romania). To accommodate the author's benefit, the publisher has also revised the Article Processing Charges (APC), starting with a minimum APC 500 USD for under developing countries and the

maximum APC charged is not more than 1800 USD for reputed high quality journals of group.
