

Metro Express Service Launches Redesigned Service Website

Written by Australian Business

ARLINGTON, TX, October 14, 2013 **/24-7PressRelease/** -- Metro Express Service is proud to announce the launch of their newly redesigned website, developed and implemented by [Advice Interactive Group](#), an Inc. 500 Internet marketing company in Dallas.

The new website features a minimalist design in bright blues, oranges, and white. Users can easily navigate to any of the company's service pages from their main navigation, which now shows all pages at the same time. Users will also notice the company's new rotating banner, which shows the company's dedication to their family, which both owns and operates the business.

The company blog still remains a staple of activity for the MES website, proving useful and interesting tips, information, and news about the HVAC industry.

Metro Express Service is dedicated to absolute customer satisfaction and support. Their new company website will allow them to serve their customers even better, with dynamic coupons for all services on the homepage and an easy-to-use contact form for scheduling service.

For inquiries about the new website, interested parties can contact the company at their main location: **Metro Express Service** 7120 Interstate 20 Service Road Arlington, TX 76017 817-484-6929 <http://www.mes-ac.com/>
