"Some 60,000 individuals and families will find themselves without a place to call home on any given night here in Los Angeles and Ventura Counties, and many of these are children under the age of 5," said Joyce Mason, vice president of marketing for Pardee Homes and member of the HomeAid LA/Ventura Board of Directors. "We welcome those who want to join our team, or donate to one of our walkers/runners, or both, as we help HomeAid further its mission."
