

The Gilded Nut Snack Co. to be Featured by Love with Food

Written by Australian Business

PORTLAND, ME, November 08, 2013 **/24-7PressRelease/** -- Maine-based The Gilded Nut Snack Co. is pleased to announce that its seasoned pistachios will be featured in Love With Food's curated boxes of organic and all-natural snacks sent to thousands of subscribers nationwide. Boxes will be shipped on November 8 and 9.

Each box shipped is significant as it equates to a meal donated to a food bank like Feeding America Network and Share Our Strength - No Kid Hungry. Focused on combatting child hunger, Love With Food has donated 100,420 meals to date and 400 meals to The Good Shepherd Food Bank in Maine.

"I have family members who had hunger in their background as children. This partnership for the month of November is especially personal as meals will be donated to thousands of children around the holidays," said John Powers, founder of The Gilded Nut Snack Co., who also supports Share Our Strength Maine.

About Love With Food Love With Food delivers curated boxes of organic, all-natural snacks to subscribers monthly. For every box sold, they donate a meal to foods banks across the country. <http://www.lovewithfood.com>
