LANE COVE NORTH, NEW SOUTH WALES, AUSTRALIA, November 8, 2013 /24-7PressRelease/

Julian Hincapie, Senior Project and Process Improvement Engineer at Ingredion Anz Pty Ltd, has been recognized by Worldwide Branding for showing dedication, leadership and excellence in engineering.

With 46 years of experience in the engineering field, Mr. Hincapie is known for his expertise in corn wet milling, and corn starch washing and drying. Daily, he is tasked with developing new processes and designing plants in the cornstarch industry. According to their website, Ingredion Anz Pty Ltd is a leading global ingredient solutions provider to the food, beverage, brewing and pharmaceutical industries as well as numerous industrial sectors. The company's services facilitate numerous companies, including those in the health and nutrition, food and beverage starches, personal care, green solutions, and animal nutrition and co-product fields.

The holder of a bachelor's degree in mechanical engineering, Mr. Hincapie attributes his success to his interest in innovation, as well as his creativity. He began his professional career working as an engineer draftsman and eventually went on to study physics.

In the years ahead, Mr. Hincapie intends revolutionize the industry by developing systems that manufacture starch more efficiently.
