Written by Australian Business

ORLANDO, FL, May 11, 2014 **/24-7PressRelease/** -- Coveroo offers customers all over the world the most unique and innovative designs on cases and covers for phones, tablets, and other electronic devices. With options to browse through available artwork or to create and design a custom case or monogram, Coveroo ensures its customers a reflection of their individuality on their most-prized electronics. Because of Coveroo's dedication to innovative designs and product quality, many organizations have awarded the company exclusive licensing rights. Using its proprietary printing process, Coveroo offers thousands of licensed images from the world's biggest brands including MLB, NHL, NBA, DC Comics and hundreds of colleges, in addition to a large selection of fashion patterns and print designs, all of which can be personalized. Coveroo's top quality products, plus excellent customer service, have propelled the company to the front line in its industry.

Continuing the success of the Coveroo and AffiliateManager.com collaboration, the Coveroo affiliate program offers a 10% commission rate within a 15 day cookie duration to its affiliates on the AvantLink network.

AffiliateManager.com's award winning service and cutting edge technology will continue to guide the Coveroo affiliate program to profitability during all phases of management, including recruitment, activation, and optimization.

"We are very excited to be working on AvantLink. The customizable rugged iPhone and tablet cases that Coveroo offers should be a great fit for the outdoor affiliates that are prevalent on the AvantLink platform.." - Cary Pierce, Account Manager, AffiliateManager.com.
