PHILADELPHIA, PA, August 21, 2014 **/24-7PressRelease/** -- Eight attorneys from Philadelphia personal injury law firm Feldman Shepherd Wohlgernter Tanner Weinstock & Dodig LLP have been selected by their peers for inclusion among the 2015 Best Lawyers in America, one of the legal profession's oldest and most-respected peer-review publications.

The selected attorneys are Carol Nelson Shepherd, Alan M. Feldman, Ezra Wohlgernter, Mark W. Tanner, Daniel S. Weinstock, John M. Dodig, Roberta D. Pichini and Jason A. Daria. Pichini is marking 10 years on the Best Lawyers list, while Daria is making his debut on the 2015 list.

Shepherd also was honored as Lawyer of the Year in the practice area of medical malpractice law on behalf of plaintiffs. Only a single lawyer in each practice area in each community is named Lawyer of the Year, making it a singular honor.

"Being named among the Best Lawyers in the country is a wonderful honor," said co-managing partner Feldman. "We are proud of this distinction, and delighted about Carol's well-deserved recognition as Lawyer of Year in the area of medical malpractice. But at the end of the day, getting the best results for our clients continues to be what Feldman Shepherd is really all about."

The Feldman Shepherd attorneys were recognized for their work on behalf of plaintiffs in the practice areas of mass tort litigation / class actions, personal injury litigation, medical malpractice law, worker's compensation law and product liability litigation.

U.S. News & World Report will publish the 2015 edition of The Best Lawyers in America on August 18. More than 250,000 copies of the standalone magazine will be distributed with leading publications including The New York Times, The Philadelphia Inquirer, The Washington Post and The Wall Street Journal. A digital edition also will be available.
