

ATLANTA, GA, August 21, 2014 **/24-7PressRelease/** -- Delivering on the promise of durability, practicality and style, interior plantation shutters are in a league of their own as window treatments. Custom-made for each individual house, they add value and beauty to any property and increase the enjoyment of homeowners. They also give homeowners greater control over their energy consumption by effectively preventing heat loss during winter and heat gain during summer. Additionally, plantation shutters are a stylish way for homeowners to maintain their privacy and enjoy a quiet and serene home environment. These are some of the reasons why many homeowners choose interior shutters as the window treatment for their house.

As a leading plantation shutter manufacturer, Eclipse Shutters understands these reasons and offers its clients only high-quality products. In fact, their plantation shutters come with a 25-year warranty. They are easy to maintain and complete a variety of design options.

"We believe in giving our clients the best products for their homes," says Shannon Hodges, Business Unit Manager for Eclipse Shutters. "This is why we never compromise on the quality of the materials we use for all our products. This is also the reason why we stay on the cutting edge of technology and design in our field. Our products are incredibly durable and will stay in our clients' homes for many years. It is only fitting that we give them the very best that we have to offer."
