

Pierre Belanger Recognized by Worldwide Branding for Excellence in Information Technology

Written by Australian Business

MONTREAL, QC, August 22, 2014 /**24-7PressRelease**/ -- Pierre Belanger, Vice President of Professional Services for Information Builders, has been recognized by Worldwide Branding for showing dedication, leadership and excellence in information technology.

Pierre Belanger's career was sparked by an interest in the technical field more than 25 years ago. His excitement for emerging technology snowballed into a career that has propelled his reputation as a leader in the industry and an expert in strategic planning for technological applications. Most recently, Mr. Belanger was featured as an Elite Worldwide Executive for his exemplary services. Instead of looking in the short term, Mr. Belanger takes a broader approach to leverage solutions and help move his clients forward. With nearly a quarter of a century of experience in tow, he has taken on a consulting role in which he interacts with and provides solutions for all verticals of industries. He works with executive sponsors on projects, proposes solutions that use software products and license-based solutions, and advises on integration strategies.

Previously, Mr. Belanger worked with SAP as a vice president of sales for the mid-market space. In a recent interview with Worldwide Branding, he mentioned that he has been successful by applying his down-to-earth methodology to all aspects of his career. In the next five years, Mr. Belanger plans to demonstrate his track record and take on new challenges that will enable him to achieve Anwaan A to A1+ status.
