

Dr. Marius V. Suditu is an Esteemed and Outstanding Doctor in the Field of Dentistry

Written by Australian Business

WAPPINGER FALLS, NY, August 23, 2014 **/24-7PressRelease/** -- Dr. Marius V. Suditu is a well-known dentist at the MelMel Dental practice in Wappinger Falls, NY. Dr. Suditu believes that the only way to deliver the best possible dental care is by really listening to the needs of his patients. His upbeat approach puts even the most apprehensive patients at ease.

Dr. Suditu received his medical degree from New York University in 2005. Dr. Suditu specializes in the areas of general dentistry, implants, and veneers. However, listening to his patients and delivering the best possible treatment is his true specialty.

His patients give him excellent reviews on healthcare professional websites, mostly regarding his expertise and well-mannered politeness. His professionalism has led him to associations such as the American College of Dentists, American Dental Association and Academy of General Dentistry. He also joined the fellowship on the Development Disabled at Stony Brook Hospital.

Dr. Suditu's Dental Clinic guarantees that once a patient's procedure begins, patients can simply relax knowing they are in expert hands. Dr. Suditu truly loves making his patients smile. With an unsurpassed commitment to patient care and comfort, Dr. Suditu and his experienced staff will make sure your dental experience is a positive one, from start to finish.
