

Dr. Raymond T. Abrams: "Conveying Dental Care into the Next Level"

Written by Australian Business

WOODBURY HEIGHTS, NJ, August 23, 2014 /**24-7PressRelease**/ -- Kornberg School of Dentistry recognized Dr. Raymond T. Abrams' excellence, proficiency and commitment in his field. Dr. Abrams received the Clinical Achievement Award from Kornberg in Patient Management, Treatment Planning and Diagnostics. This award signifies that Dr. Abrams has made significant contributions in all aspects of the field particularly service, education and research. In addition, it also denotes that he achieved an international stature and reputation by virtue of his efforts and long standing service either at the grass roots, national or international levels.

In 2005, Dr. Raymond T. Abrams attained his license from Rowan University and graduated Suma Cum Laude in Biological Sciences. He then continued his education acquiring a Doctor of Dental Medicine from Temple University's School of Dentistry in 2010. Dr. Abrams has been an enthusiastic member of the American Dental Association. In addition, Dr. Abrams loves learning about different aspects of his field. He has educated himself in areas such as Esthetic Dentistry, Endodontics, Oral Diagnosis, Implant Treatment and Fixed/Removable Prosthodontics.

In his 4 years of experience, Dr. Abrams has been affiliated with Eastern Dental of Woodbury Heights. He works hard to be one of the best in his field. Patient care and experience is very important to Dr. Abrams. Hard work and dedication has made Dr. Abrams a dentist you can trust for your oral healthcare needs.
