

MANALAPAN, NJ, August 30, 2014 **/24-7PressRelease/** -- Dr. Alex and Inna Silman are Board Certified dentists in the State of New Jersey. Certified in Oral Conscious Sedation, a.k.a. "Sleep Dentistry", the Silman practice sets to rest the fears of even the most dental phobic patients. They have been acknowledged by Consumers' Research Council of America with Top Dentists Awards. Dr. Alex and Inna Silman are long standing members of the American Dental Society and Monmouth-Ocean County Dental Society.

In 2001, Dr. Alex and Inna Silman received their dental education at New York University College of Dentistry. Coincidentally, it's where they met and started a family. With the goal of delivering the highest level of comprehensive dental care; Dr. Alex and Inna Silman established their own practice in 2002. Since that time they have successfully operated two dental practices in Monmouth and Middlesex Counties for over a decade. These practices have improved the quality of life for thousands of patients.

Drs. Alex and Inna Silman continue to acquire and develop new knowledge and skills. After hundreds of hours of continuing education, their practices are at the forefront of dental innovation and technology. They specialize in cosmetic, restorative, and implant dentistry all while working diligently to learn the latest and most effective techniques. Since family is very important to Dr. Alex and Inna Silman as well as their amazing staff, they treat every patient like a part of their family by providing a personalized approach to dental care.
