This year's race will be taking place on Saturday, October 18, 2014. The race is a charity event that helps raise funds for Somerset Medical Center located in Somerville, NJ.

When asked about the event, Co Founder Andrew Michaels said "I am happy we're able to host an entertainment tent for a second year in a row, and, I am a believer that charity starts at home, and, since I grew up in (nearby) Mendham, it just makes sense to support this wonderful cause." Michaels went on to say "We look forward to hosting our guests from last year and new guests we've invited to join us this year. As always our fingers are crossed for good weather." (The even takes place rain or shine.)

William Scott, Co-Founder of The Scott - Michaels Group, added "We enjoyed ourselves so much last year that this year we decided to expand and invite even more guests, and, so far the response has been overwhelmingly positive. I think we all enjoy this annual event and what better excuse to spend an autumn day in the country!"
