APOPKA, FL, November 20, 2014 **/24-7PressRelease/** -- Richard Petrilli, DMD, has been recognized for showing dedication, leadership and excellence in dental care.

Dr. Petrilli grew up in Florida and attended Rollins College where he earned a bachelor's degree in anthropology. Upon graduation, he earned a DMD from the University of Florida School of Dentistry. In addition, he attended the prestigious Las Vegas Institute for Advanced Dental Studies, which is known as the world leader in aesthetic dentistry.

Dr. Petrilli established his practice in 1995 after working for many years in a high volume group practice in Orange City, FL. He and his staff have built the practice on the theme of providing extraordinary care for extraordinary patients. Dr. Petrilli listens to his patient's needs, and all diagnoses are designed to offer only the best and most appropriate treatment for each patient. He aims to fulfill the desires of retired persons seeking a no-nonsense approach to receiving the best and most practical care for their particular stage of life.

He and his staff also constantly pursue dental excellence by attending continuing education courses to keep up-to-date on the newest techniques and materials available in dental care.

Dr. Petrilli was recently inducted into Worldwide Registry. He is a member of the ADA, the Florida Dental Association, the Central Florida Dental Association and the Dental Society of Orlando. He was named to the list of Top Central Florida Dentists, and was recognized as the Best Dentist in Apopka, Florida. He has also been included on the list of America's Top Dentists for three years. An advocate for quality dental care, Dr. Petrilli's two favorite dental causes are Dentistry from the Heart and the Orange County Dental Research Clinic. Looking ahead, he aims to attract quality patients who are a perfect match for his high-quality practice.
