---

FORT COLLINS, Colo., Sept. 25, 2013 /PRNewswire/ -- /Continental Who's Who/- Heidi Tillquist is recognized by Continental Who's Who as a Pinnacle Professional in the field of Environmental Consulting. Heidi is the National Pipeline Risk Assessment Coordinator for Stantec.

Heidi has over 20 years of experience and specializes in Pipeline Risk Assessment, Environmental Permitting and National Environmental Policy Act (NEPA) Analysis. Also, she is involved with the coordination of large capital projects ranging from pipeline, mining, power plants, oil and gas developments, evaluation of water quality criteria, pesticides, heavy metals, and petroleum hydrocarbons in the environment. Heidi also works with federal regulators, such as the Bureau of Land Management and the US Forest Service as part of the National Environmental Policy Act (NEPA); as well as expert witness testimony and public speaking.

In addition, Heidi has successfully permitted over 5,000 miles of pipelines, prepared over 30 separate environmental impact statements and environmental assessments, and has worked in more than 20 states and Canada. In 2012, she was honored as Environmental Consultant of the Year from Worldwide Who's Who.

Heidi earned her Master's Degree in Environmental Toxicology and Risk Assessment from Colorado State University

. She holds additional certifications as a Wildlife Biologist and Fisheries Scientist.
