Written by Australian Business

BALTIMORE, Sept. 30, 2013 /PRNewswire/ -- On September 27, 2013, Municipal Mortgage & Equity, LLC (OTC: MMAB) ("MuniMae", "the Company," "we", or "our") entered into a settlement agreement with the Securities and Exchange Commission ("SEC") that resolved the administrative proceeding instituted by the SEC on September 18, 2013

, to determine whether to suspend or revoke the registration of the Company's common shares under Section 12(g) of the Securities Exchange Act of 1934. Pursuant to the settlement, the SEC this morning issued an order revoking registration of our common shares ("Deregistration Order").

Once the Deregistration Order was effective, the Company was eligible to re-register its common shares with the SEC. Accordingly the Company filed a Registration Statement on Form 8-A today for its common shares which was effective immediately upon filing. Therefore, as of the filing of our Form 8-A, the Company's common shares are once again registered under the Exchange Act with the SEC. The Company's Form 8-A filing is available on both the SEC's and the Company's websites. As a result of the deregistration and subsequent re-registration of the Company's common shares, the Company has resolved the filing deficiencies that were the subject of the SEC action.

Michael Falcone, Chief Executive Officer of the Company, stated, "We are pleased to have resolved the SEC matters and to put our legacy filing deficiencies behind us and we are pleased that trading in our shares will resume on Wednesday following the end of the trading suspension on Tuesday evening at 11:59 p.m. Eastern Time. We appreciate the shareholder support provided to us over the past several days and we look forward to moving forward to create shareholder value."

As a reminder, the Company will host a conference call on Tuesday, October 1, 2013 at 10:00 a.m. The purpose of the call will be to discuss the resolution of the SEC administrative proceeding and to describe the process of how we expect trading will resume on Wednesday, October 2, 2013
