

(PRLEAP.COM) Treeium [Eco Home Remodeling](#) , a green home remodeling company based in California, was selected as one of the Top 500 Remodelers in the United States, according to Qualified Remodeler's 2013 report. The Top 500 Remodelers is the industry's top recognition program by Qualified Remodeler magazine, the largest and oldest audited magazine in the trade.

The list recognizes remodelers for significant and sustained success based on:

Installed remodeling dollar volume
Total years in business
Industry association membership
Industry certification
Industry awards
Community service
"We are very proud to appear in Qualified Remodeler's Top 500 Remodelers list after just one year since we started focusing on eco-friendly home remodeling," said Moty Ginsburg, founder and CEO of Treeium. "It is a great sign that more and more people are switching to [green remodeling](#) because it benefits the planet and themselves. We are very excited for the future and look forward to becoming US leaders in eco-friendly home remodeling with our clients' support."

The annual list appears in the August 2013 issue of Qualified Remodeler and is also available on the magazine's website www.qualifiedremodeler.com .
