## CFA Announces Acquisition of Red River Solutions by Atherio

( [PRLEAP.COM](http://PRLEAP.COM) ) August 24, 2013– Los Angeles - [Corporate](#)

### Finance Associates

, an international investment banking services firm providing merger and acquisition, business valuation, capital resource and financial advisory services, is pleased to announce the acquisition of Red River Solutions, LLC by Atherio, Inc.

Red River Solutions, LLC located in Dallas, Texas is a recognized leader in Consulting and IT Services, with a reputation as a source of unsurpassed expertise in high-end consulting for large-scale ERP applications, Fusion Middleware, Business Intelligence and core Database Technology, and is an Oracle Gold certified partner. With deep industry expertise and a focus on complete customer satisfaction, Red River Solutions is well known for their ability to execute. They were seeking a growth partner with a shared vision and synergistic capabilities, and found that partner in Atherio.

Atherio, headquartered in Jacksonville, Florida, is a leading global technology services company providing end-to-end technology enabled business solutions across multiple platforms. Atherio is led by some of the most experienced technology and business professionals in the industry. With the addition of Red River Solutions, Atherio strengthens its product offerings providing technology, outsourcing, managed services and consulting solutions.

"CFA listened to our vision and goals," said Tammy O'Connor, CEO of Red River Solutions, "and led our process to find the right strategic partner."

[Dan Vermeire](#) , Managing Director and Principal in [CFA's Dallas office](#) commented, "Red River Solutions and Atherio are a perfect combination. With Atherio's leadership and global team, Red River can quickly expand their capabilities and grow to the next level."

"We have adopted an aggressive acquisition strategy and have completed two transactions in
