

( [PRLEAP.COM](http://PRLEAP.COM) ) Zoom Auctions continues its remarkable track record as the worlds' most trusted online resource for auto auctions. The cars listed in this highly sought after website will now be shipped to more than 80 countries all over the world. ZoomAuctions.com is particularly known for their awe inspiring listing where over 100,000 vehicles are added on a daily basis. While bidding at Zoom Auctions, members of this website can choose from classics, early or late model cars, trucks, SUVs, motorcycles, boats, snowmobiles, jet skis, recreational vehicles, and more.

The introduction of international shipping facility will certainly strengthen the company's position in the global market. Taking about the launch of their international shipping service, a senior official from Zoom Auctions said, " Our entire team has worked hard since a long time to make this possible. Now we look forward to catering service to a much larger segment of automobile buyers all over the world".

Unlike many other similar websites, ZoomAuctions.com has access to some of the most competitive North American auctions. The members of this website have access to salvaged cars coming from car leasing companies, banks, insurance companies, dealers, fleets and rental car companies. To purchase a vehicle at ZoomAuctions.com, one is required to create a free account in the website, and they can start bidding by making a deposit of \$400 or 10% of the bid price. Winning bids from the website are then taken to the live auction. ZoomAuctions.com takes full responsibility of transporting the vehicles to the winning bidders.

Since the inception of the company in 2007, Zoom Auctions has helped thousands of their members purchase automobiles of their choice with excellent savings. A delighted customer of the company from Dubai strongly recommends ZoomAuctions.com saying," I have purchased multiple vehicles from ZoomAuctions in the last year. Each time I have bought a vehicle the service staff has been very extremely helpful along with making the transaction totally stress free. That's how all car purchases ought to be."

About ZoomAuctions.com: Zoom Auctions is the world's number one automobile bidding website with an extraordinary listing of vehicles including classics, early or late model cars, trucks, SUVs, motorcycles, boats, snowmobiles, jet skis, recreational vehicles, and more. The company has access to an extensive inventory with more than 100,000 vehicles available for bidding each day.
