

(PRLEAP.COM) Simpler Options President and professional trader, John Carter, has announced an upcoming live intermediate options trading workshop which will take place in Las Vegas between October 13th and 15th. The three day workshop is designed to help both experienced and novice traders learn to trade options by teaching them how to leverage profitable strategies and recognize significant market opportunities. John Carter is leading the three day options trading workshop <http://members.simpleroptions.com/vegas-seminar/> and will teach attendees how to recognize significant market opportunities and explain how to make the most of these opportunities through the leveraging of profitable strategies.

The Simpler Options trading workshop is unique in that the speakers are all real traders who trade their real accounts. For example, John Carter is a professional trader currently employed as a Commodity Trading Advisor with Razor Trading. Carter has also authored a book entitled Mastering the Trade which was featured on ABC Money.

Those who are interested in attending the Simpler Options live [options trading workshop](#) in Las Vegas are encouraged to register soon, as they often sell out. As an incentive, those who register early receive a discount on their registration costs. In addition, the first 20 registrants will receive a VIP pass for front row seats and access to the VIP cocktail party.

Simpler Options offers these workshops throughout the nation in order to help traders learn to trade options successfully using a variety of proven strategies. In addition, the company delivers online training to the Simpler Options community through daily trading lessons taught by professional trader John Carter. Throughout these sessions Carter shares his knowledge and expertise to help community members successfully learn to trade options through various proven strategies. Simpler Options community members have access to a number of online resources.

"I can't say enough about how valuable your site has been to our business," says Victor, a Simpler Options community member based in the Seattle area. "The articles and especially the free downloads really are great."

Simpler Options was founded by John Carter. It is a community of active traders who learn from Carter and one another. John Carter is a professional day trader with longevity in the markets and a proven track record. The purpose of Simpler Options is to teach, support, inspire, and educate community members on the strategies and tactics they need to know to be successful
