

(PRLEAP.COM) Zoom Auctions, the worldwide leaders in auto auction has recently announced a partnership with a new shipping company to improve their shipping time and rate. Zoom Auctions is an extremely popular online destination for people who love cars. Online car buyers prefer to purchase cars from Zoom Auctions because it offers over hundred thousand vehicles for bidding on a regular basis. Cars from Zoom Express are shipped to more than 80 countries in different parts of the globe. Both "RORO" or "Container" shipping options are available at Zoom Auctions. Safe transportation with full insurance is the hallmark of service offered by Zoom Auctions to all its customers.

Safe and timely shipping is one of the most important service parameters for an auto export company. Zoom Auction's just signed partnership with a new shipping service provider is a key step by the company because this will enable them to offer cheaper price and faster turnaround time. Discussing the significance of this new partnership, a senior spokesperson from Zoom Auctions said, " Top class shipping facility has always been our forte. Now, with our new shipping partnership, we are looking to make further improvements in terms of both rate and shipping time."

To help buyers have an idea about their auto shipping cost, the website of Zoom Auctions will soon provide a shipping cost calculator. This is an extremely useful tool for their buyers even though the calculated shipping costs are just estimates. Zoom Auctions helps their clients receive better rates by arranging consolidation for those opting for container shipping. Also, the company provides regular email updates to their clients regarding the shipping status of their vehicle. Better shipping time and cost can certainly make Zoom Auctions an even more stronger force in the global market for automobile auctions.
