

(PRLEAP.COM) If you are still wondering what to wear this autumn you can find the answer with the new collection of Marc Jacobs wristwatches from Uniwatches.dk. Even though Marc Jacobs has not been in the fashion industry as long as most of the other brands that you can find on Uniwatches' website, it is definitely one of the most popular and desirable trends for this autumn. The new line has the usual provocative style and the combination of watch and jewellery that makes Marc Jacobs watches the perfect accessories for both romantic and business women. The new collection of Mark Jacobs watches that you can find on Uniwatches.dk consists not only of the usual stylish pieces with large dials. This time the designer also included some great models with smaller size which the customers can find in silver or gold. In addition to the usual provocative big dials and elegant bracelets, we will see some extremely feminine and elegant suggestions for all the ladies who want to express their grace.

Here are some of the latest trendy Marc Jacobs watches that you can find on <http://uniwatches.dk/eshop/> :

Marc Jacobs wristwatch Amy:

This new extremely feminine model will please every woman who wants to focus on her elegant look this autumn. The Amy watch is made of stainless steel and mineral glass. Marc Jacobs combines the standard elegant gold look with a touch of colour in the dial. The bracelet which is also in stainless steel can be shortened as per the need. This elegant wristwatch is the perfect accessory for all the business women who want to add a romantic and feminine look to their style.

Marc Jacobs wristwatch Dinky Henry

Here is a provocative suggestion for the ladies for autumn 2013. Mark Jacobs wristwatch Dinky Henry, also made of stainless steel, has a smaller orange dial that is in stunning contrast with the rest of the watch, which makes this model extremely interesting. This watch will please all the ladies who want to be more provocative with their look and are not afraid to use colours in their outfit. This unique model is smaller than the usual Marc Jacobs watches but with its provocative look it is definitely an interesting accessory for this autumn.

Marc Jacobs wristwatch Amy Dinky

One of the most interesting suggestions from the Marc Jacobs watches from Uniwatches (or as the Danes say [Marc Jacobs ure Uniwatches](#)) for all the ladies. This watch is smaller than the usual Marc Jacobs models with beautiful gold indices over a black dial, which makes a stunning contrast. The strap which combines black and gold too is easy to adjust to your wrist. With its narrow dial and strap the Amy Dinky model is definitely one of the most feminine and elegant suggestions from Marc Jacobs. Perfect jewellery for all the ladies who want to focus on their elegance and grace.

You can find all the latest collections of wristwatches of the most popular brands like Marc Jacobs, Skagen, D&G, and Fossil watches on the Uniwatches' website. Uniwatches.dk has established itself as one of the best Danish companies that offers a huge online selection of fashionable watches which are one hundred percent genuine. The delivery is free for all the orders and the payment procedure is proven to be completely safe and secure.
