

(PRLEAP.COM) Zoom Auctions, the world's favorite online platform for auto auctions, is about to add new staffs to handle their expanding business all over the world. This website is a highly preferred online shopping destination for the automobile enthusiasts. Unlike most other similar online platforms, Zoom Auctions boasts of a huge inventory of cars where hundreds are vehicles are made available everyday for bidding. Most importantly, Zoom Express handles all the shipping related activities for their customers. At present, Zoom Auctions offers hassle free shipping facilities to over 80 countries in all corners of the globe.

According to reliable sources, Zoom Auctions is all set to expand their service in several new locations throughout the world. Accordingly, they have just started hiring new employees to take charge of these new locations. Top class service and exemplary customer focus have always been the hallmark of service offered by Zoom Express. By recruiting the new batch of employees, the company is ensuring the same standard of service and quality commitment to their customers in their expanding global market for auction export.

Zoom Auctions was founded in the year 2007 with the objective of becoming a full service auto auctions website. Today, in addition to all types of cars, Zoom Auctions also offers trucks, SUVs, motorcycles, boats, snowmobiles, jet skis, recreational vehicles, etc. for bidding. The buyers at this website get direct access to the most competitive auctions in the North American market.

Announcing the company's recruitment plan for the coming months, a senior official from Zoom Auctions said, " We are proud to let you all know that very soon our service will expand to a number of new cities around the world. To maintain our high standard of customer centric service, we are about to start recruiting fresh manpower. Call us to find out the details of positions available at present."

About Zoom Auctions: Zoom Auctions is a popular online auto auction website with an astounding inventory of vehicles available for bidding. The company delivers automobiles to all well known cities across the world. Zoom Auctions has just started recruiting aggressively to maintain their service quality in the expanding global market.
