

PRLEAP.COM) Fall is officially here and it is now time to change our wardrobes and make them appropriate for the season. Customers are waiting patiently to replace the bright summer colors with the colors of autumn. With all fashion trends such as make-up trends, clothes, accessories, etc. changing, watch trends are no exception. Some of the new models customers can now find at uretilalt.dk include:

#1 - Michael Kors MK 5630 The ladies MK 5630 by Michael Kors watch is one of the bestsellers on uretilalt.dk and it is absolutely perfect for fall. Its stunning design features a PVD rose and gold plated case. The dial stands out in nice, soft brown with rose color touches and high-visibility Roman numeral hour markers. It also has a date function and a chronograph. It fastens with a top-quality genuine light brown leather strap that helps it combine well with any autumn color. The color of the strap compliments the face of the watch very well. Now customers can take advantage of the special 13% discount of the MK 5630 model at Uretilalt.

#2 - Marc by Marc Jacobs Ladies' Henry Skeleton watch The ladies Marc by Marc Jacobs Henry Skeleton watch from Uretilalt (the term in Danish is ur Uretilalt) is another top seller. It is available in five different colors and styles – rose and silver bracelets with mirror dial, black leather strap with black dial, red leather with red dial and black bracelet with black dial. As of right now the rose bracelet with rose dial is the bestselling one and can be purchased with a discount on uretilalt.dk that saves up to 26% off the retail price. It comes with a PVD rose plating case and is also fitted with a rose metal bracelet, a mirror dial with "BYMARCJACOBS" letters for hour markers and analogue quartz movement. This watch makes a perfect fashion statement for any fall outfit.

#3 - The DKNY NY4332 The ladies DKNY NY4332 watch is one of the most wanted DKNY watches out of the whole ladies collection. It comes in gold with champagne mother of pearls dial and features many different functions such as date window and chronograph. The three easy-to-use buttons compliment its oversized case perfectly which makes it a perfect fashion statement for the fall season. Now, you can purchase this watch 31% off the retail price at uretilalt.dk.
