

[New Pioneer Eclipse 30" Barracuda Propane Strip machine](#)

(PRLEAP.COM) Vinton, IA – Performance Systems, one of the leading online retailers of janitorial supplies and equipment, adds the new Pioneer Eclipse 30-inch Barracuda Propane Strip machine to its

[extensive inventory of floor strip machines](#)

. This model features a catalytic muffler for added emissions control and sound control and an on-board emissions monitoring computer with safety shut off features for additional precaution. The powerful 18 horse-power Kawasaki engine allows for maximum performance.

Pioneer Eclipse 30-inch Barracuda Propane Strip machine's 16-inch counter rotating stripping brushes provide exceptional floor scrubbing capabilities. The Rok-Bak design allows users to simply tip it upright for cleaning and maintenance. Performance Systems offers the brand new Pioneer Eclipse 30-inch Barracuda Propane Strip machine for only \$6,895 – \$770 below the standard retail value.

Clients who purchase the new Pioneer Eclipse 30-inch Barracuda Propane Strip machine from Performance Systems will enjoy complimentary shipping to business locations with a receiving dock or forklift for unloading. Performance Systems also offers shipping into Canada and Mexico for an additional charge that includes the longer delivery distance, customs paperwork and brokering fees.

In addition to the Pioneer Eclipse 30-inch Barracuda Propane Strip Machine, Performance Systems offers a range of new and professionally refurbished janitorial supplies like floor scrubbers and stripping machines. Performance System's technicians will help clients maintain floor scrubbing machines with parts and repairs offered throughout the United States.

About Performance Systems Performance Systems offers an exceptional selection of janitorial equipment and supplies with the perfect combination of high quality and great pricing. These are not simply "used" products - they are high quality, reliable units that have been refurbished and tested by our trained technicians. Performance Systems offers all sizes and brands including Tennant, Clarke, Eagle, and Pioneer Eclipse – just to name a few.
