Clearwater, FL – Home Performance Alliance, the [popular premium windows and doors experts](#)

, has announced their latest contract as official distributor for Soft-Lite Windows. This comes as good news to residence throughout the greater Orlando, Tampa, and St. Petersburg, Florida areas seeking high performance windows to better protect against violent weather and more. HPA Windows has gained access to a wide selection of Soft-Lite's award-winning lineup of quality window solutions.

Soft-Lite Windows is one of the leading manufactures of high-performing replacement windows and sliding patio doors in the industry. They have received numerous accolades over the years for the energy efficiency, strength and beauty of their products.

Recognized by the International Hurricane Protection Association, Soft-Lite's Armor Impact Plus hurricane windows are especially made to protect against the destructive forces of nature. These models pass ASTM Large Missile Impact tests and carry a DP-50 rating, while maintaining comfort, efficiency, and beauty.

Soft-Lite has earned a strong reputation throughout the industry for their commitment to innovation. Their windows offer the latest features coveted by window experts around the nation, including:

Rigid fusion welded master frames with separate chambers for improved insulating properties  
Comfort-Foam™ to enhance thermal performance  
Heavy-duty constant for balance for easy operation of large windows  
Double push-button cam sweep locks for added support during storms  
Zamac 3 zinc-aluminum tilt latches (double-hung models) for added support during storms  
High-performance glass with Low-E and argon glass system to increase energy efficiency and comfort  
Automotive-type window glazing with super-tight seal  
Insulating foam wrap significantly reduces unwanted drafts  
PPG Intercept® warm-edge spacer system to reduce energy loss  
Home Performance Alliance is proud to be an official distributor of Soft-Lite products.
