

HVAC Brain Inc. Will Now Carry Airtherm Commercial Heating and Cooling Products

Written by Australian Business

(PRLEAP.COM) Cleveland, OH - HVAC Brain, Inc. (www.hvacbrain.com), retailer of HVAC/R equipment and replacement parts, has added the entire line of Airtherm's high-quality commercial heating and cooling products to their online product offering.

Airtherm, a Mestek Company, has a 50-year reputation as a manufacturer of leading commercial heating and cooling products. [Airtherm products include unit heaters, fan coils, air handlers, and hot water unit heaters](#) . HVAC Brain offers Airtherm products at competitive price points with fast shipping, and boasts especially quick shipping times for Airtherm's unit heaters. HVAC Brain's support staff is on-hand to provide technical support for Airtherm products.

Airtherm's line of hot water unit heaters and steam/hot water unit heaters are direct replacements for unit heaters manufactured by Sterling, Beacon-Morris, and Vulcan Radiators. These high-quality Airtherm products are offered with a variety of features designed to fit the wide needs of commercial heating applications. The addition of Airtherm's quality heating products is an excellent complement to HVAC Brain's existing heating products offering, which includes products by manufacturers such as [Modine heaters](#) (<http://www.hvacbrain.com/Modine-Hot-Dawg-s/1752.htm>) and [Qmark heaters](#) (<http://www.hvacbrain.com/Qmark-s/1677.htm>).
