( [PRLEAP.COM](http://PRLEAP.COM) ) According to the Canadian Cancer Society, 29.8% of people die of cancer, which leads any other cause, so is it any wonder that cancer would have its own brand of insurance? No Medical Life Insurance.ca's new [Cancer Insurance](#) coverage provides financial support to help individuals mitigate the cost of cancer treatment. Cancer Insurance is a new product to Canada

Cancer Insurance for Canadians offered by No Medical Insurance.ca provides:

No Medical tests and up to \$25,000 of coverage by answering 2 questions and up to \$100,000 of coverage by answering 4 questions Like regular critical illness insurance, cancer insurance coverage is paid out in a lump sum. Individuals can use the money without restriction in whatever way they like, whether it's paying for additional medical care, paying bills, or paying for support services There is no waiting period, as long as a person is not diagnosed with cancer in the first 90 days of the policy being active. Cancer insurance policyholders receive the money as soon as they are diagnosed with any of the varieties of cancer the policy covers. No Medical Life Insurance.ca consults and works with leading experts and underwriters in this new and unique product offering. Interested individuals can get updates, product information, and cancer insurance quotes from their website - [www.nomedicalinsurance.ca](http://www.nomedicalinsurance.ca)

**Children's Wish Foundation Canada** - Another benefit of checking out No Medical Life Insurance.ca's new Cancer Insurance product is the company donates \$1.00 with each life insurance quote request to Children's Wish Foundation Canada.
