

[Daikin North America LLC- Heating and Cooling Systems for Residential, Commercial and Industrial Use.](#) ([PRLEAP.CO](#))
[M](#)) Daikin

North America LLC is pleased to announce that [Wolff Mechanical](#) has met the requirements to become a Daikin Comfort Pro and has agreed to represent the Daikin brand of heating and cooling systems. The Daikin brand is well known globally for manufacturing energy-efficient residential and commercial indoor heating and cooling systems products with outstanding product warranty* coverage.

Based in Tempe, AZ, Wolff Mechanical has been providing indoor comfort solutions for over twenty-four (24) years. "Everyone in the Wolff organization is excited with the potential that the Daikin brand offers to our company. We have always taken pride in providing leading edge comfort to all our customers. As a Daikin Comfort Pro, we are pleased to represent the Daikin brand, especially given that many of its residential unitary products are assembled in Texas and Tennessee providing jobs in our country," said Marty Wolff, president of Wolff Mechanical.

Wolff Mechanical is a ten (10) time repeat award winner with Ranking Arizona as the #1 residential heat and cooling company. "Our relationship with the Daikin brand certainly adds to our long-standing commitment to achieve the highest possible standards of customer satisfaction - one of our primary goals as a company. Daikin is a leading brand. We're a leading HVAC dealer. So the Daikin brand is a natural fit for our organization," adds Wolff. It all reinforces the company's slogan; Wolff truly is 'the leader of the Pack'!

Recognized as the world's leader in the manufacture of HVAC equipment and refrigerants, the Daikin brand, a premium product line, will be positioned as bringing 'Comfort for Life' to homeowners and business owners across North America through select HVAC dealers such as Wolff Mechanical.

"We are proud that a professional company the caliber of Wolff Mechanical is now a Daikin Comfort Pro and is representing the Daikin brand. HVAC dealers, such as Wolff Mechanical, that find value in the leading technology associated with the Daikin brand and want to represent the number one HVAC brand in the world are true leaders in our industry," said Dave Swift, President and CEO of Daikin North America LLC.

Wolff Mechanical recognized as a Daikin Comfort Pro HVAC dealer

Written by Australian Business

On a global basis, the Daikin brand is a market leader in the development of high technology, energy-efficient indoor comfort solutions to residential, commercial and industrial customers. For nearly 90 years, the company has grown consistently and successfully due to the loyalty and success of its customers.
