

( [PRLEAP.COM](http://PRLEAP.COM) ) November 3, 2013 - Paul J. Burt, CEO of WestLake Financial Group Inc., along with Congressman Randy Hultgren of the 14th district of Illinois will participate in a session evaluating the implications of PPACA at the first annual Restore Illinois Summit. The summit, hosted by the Americans for Prosperity Foundation, will include sessions across a myriad of topics – including social media, technology, and healthcare reform. The summit will take place at the Donald E. Stephens Rosemont Convention Center in Rosemont, Illinois, on Saturday, November 2.

Paul J. Burt, an expert in technology and benefits administration, founded WestLake Financial Group, Inc. in 1991. A pioneer in the field of human resources outsourcing and benefits administration, Burt redefined the delivery of benefit information to employees through WestLake's cutting edge technology and value-added services. Burt's insightful leadership and ideas have propelled WestLake Financial Group, Inc. to the top tier of benefit technology, consulting, third party administration and brokerage services for mid to large organizations nationwide. In 2004, Burt was inducted into the Chicago Area Entrepreneurship Hall of Fame, in recognition for his entrepreneurial achievements and lasting impact on Chicago's business landscape. Burt is the corporate chair of the 2014 American Heart Association's Chicago Heart Ball.

WestLake Financial Group, Inc. Recognized as a leader in benefits administration for over 24 years, WestLake Financial Group, Inc. delivers leading edge solutions and programs to human resources professionals. A pioneer in internet-based benefits solutions, WestLake Financial Group, Inc. has saved clients between 20% to 40% of their combined HR administrative time.
