

Dallas Temporary Agency - Dallas Staffing Agency - Dallas Employment Services  
Firm

( [PRLEAP.COM](http://PRLEAP.COM) ) **Dallas, TX** - President and CEO, Bill Kasko, of Frontline Source Group, Inc., has announced the relocation and expansion of their office in Dallas, Texas from the Historic West End to Uptown Dallas. After 9 years as the premier temporary staffing and direct-hire placement agency in downtown Dallas Central Business District the company has moved to the new and expanded location in the prestigious Uptown area of Dallas.

Kasko said, "The Dallas office has had so much growth and success over the past nine years that we are excited to be still in the downtown Dallas area and yet in a new and vibrant area of Dallas to expand our services to our clients. The new location at 4245 N. Central Expressway, Suite 300, Dallas, Texas will allow years of growth with incredible exposure and close proximity to our clients and the downtown central business area of Dallas. This is an exciting time for both Frontline and the staffing industry as we are having year over year growth putting people back to work. This expansion shows that job creation is on its way back and we are excited to open this expanded location in Dallas. We have a very aggressive expansion plan in 2014 with up to nine additional locations throughout the country currently slotted. The additional locations are opening based on our client needs and our commitment to outstanding customer service."
