

XEX Hosts Its 9th Annual Holiday Benefit Friday, December 6

Written by Australian Business

XEX Hair Salon is a community-conscious salon.

(PRLEAP.COM) XEX Hair Gallery is thrilled to announce our 9th Annual Holiday Benefit. It will be held on Friday, December 6 at XEX from 10 AM to 7 PM. Book an appointment for the 6th and all salon services performed will 100% be donated to Feeding America! Besides the charity salon services, join us all day for raffles and a giving tree with items from many awesome local businesses.

The motivation for the benefit is the organizations it will be supporting. Feeding America is the largest charitable hunger-relief organization in the country and a close neighbor to XEX in the Leo Burnett Building. Feeding America has determined that its aid relieves 25 million Americans each year and generates seven meals for every dollar in donation it receives.

"As a member of the local community, we feel that part of our responsibility is to help others as much as possible." said David Perry, co-owner of XEX. "Since Gary Mattiazzi and I started XEX eight years ago, we have celebrated the season with a party to thank those who have helped us succeed. We have been fortunate to see the event grow and see so many people excited to contribute to these amazing organizations."

XEX has provide over 859,500 plates of food for Feeding America throughout its nine years of contributing. Aside from their efforts with the holiday benefit, XEX donates a portion of its proceeds from services all year long to Feeding America. A community page exists on their web site to allow clients to monitor the amount donated on a regular basis <http://www.xexchicago.com/the-salon/community/>.

To book an salon appointment for the charity event visit the XEX website <http://www.xexchicago.com>
