[Precision Solutions, Inc.](http://www.precision-solutions.com) proudly supports Preston & Steve's [Camp Out for Hunger](http://www.philabundance.org) food collection for Philabundance ([P RLEAP.COM](http://www.philabundance.org))

(Philadelphia, PA) Precision Solutions, Inc., the 45 year old Quakertown weighing and scale calibration company, teams-up with Preston & Steve to support the Philabundance Food Pantry at Camp Out for Hunger 2013. The Camp Out for Hunger 2013 looks to beat last year's 627,678 pounds of food collected for area families in need.

Precision Solutions, Inc. first became involved in the Camp Out in 2000 as a provider of the scales and equipment used to weigh the food collected at the drive. For 13 years, Precision Solutions, Inc. has partnered with Preston & Steve to help bring awareness of Philabundance and support their food relief efforts. Camp Out for Hunger 2013 takes place from December 2-6 in the parking lot of Xfinity Live! in South Philly. The event is a food drive to benefit Philabundance with food and financial donations to support their mission of feeding the Delaware Valley. At the end of the food drive, the food is weighed by pallet scales and bench scales provided by Precision Solutions, Inc. Dan Kendra of Precision Solutions, who provides weighing, scale calibration, data acquisition and systems integration to companies throughout the Delaware Valley and nationally, says, "Precision Solutions is proud to support the good works of Philabundance through Preston and Steve's Campout for Hunger campaign. It is heartwarming, to say the least, to see Preston and Steve dedicate their talents and resources in such a significant way to such a worthy cause. At our very core, Precision Solutions believes in making a positive difference in the lives and businesses of those we serve. We believe that "those we serve" includes our community and we are grateful to have this opportunity to partner with Preston and Steve's Camp Out for Hunger campaign. To our friends involved with Preston and Steve's Camp Out for Hunger and all of the wonderful volunteers involved with Philabundance, we appreciate what you do to make a difference in the lives of so many."

About Philabundance Philabundance cultivates strong relationships with the food industry, schools, companies, a network of member agencies and others to ensure that food procurement and distribution are effective and reaching as many Delaware Valley residents as possible.
