( [PRLEAP.COM](http://PRLEAP.COM) ) Worldwide Parcel Services are excited to offer you an accurate [delivery service this Christmas 2013](#)

. Working closely with the major delivery companies, the best prices will be ensured as thousands of parcels are sent worldwide on a weekly basis. Regardless of the Christmas rush, Worldwide Parcel Services will work closely with major courier services to ensure normal service is provided worldwide. Some couriers will provide a better service or price depending on your destination - but Worldwide Parcel Services can offer the best option for delivery no matter where your parcel is headed.

The company has developed strong delivery links and services all over the world so that they can ensure every customer can choose where and when they want their parcel received. The services ensure that the customer's item will be delivered safely to its destination, regardless of weight. Worldwide Parcel Services obtained a rating of 4.9 out of 5 from a total of 42 reviews from the past 12 months.

Worldwide Parcel Services can also offer a 10% discount off of all orders over £30 this Christmas. To obtain the discount, customers must simply enter the promo code 'winter10pc' at the checkout stage.

Any eBay regular sellers can receive a 5% discount from Worldwide Parcel Services. Customers who are eBay sellers can follow an online step-by-step guide to receive the discount. This is something that can be hugely beneficial to frequent sellers who ship parcels of various sizes and weights causing huge expense for delivery. Thankfully Worldwide Parcel Services are [eBay couriers](#) and can offer this beneficial discount over the Christmas period.

Worldwide Parcel Services are proud to offer a cheap importing service to the UK only from anywhere worldwide. This service is a fast way to import this Christmas for personal or business matters from various countries across the world including our popular [parcels to Germany](#) .

The company also includes an online converter tool on their website. Customers can convert the weight of their parcel from pounds to kilo and convert the dimensions of the parcel from inches to centimeters before receiving and booking a quote. Previous testimonials on the Worldwide Parcel Services website have complimented the company's customer services and tracking service.

To help speed up the process of ordering parcel delivery and to reward returning customers,
