

(PRLEAP.COM) Valley Village, CA – January 14, 2014 - Treeium Eco Home Remodeling, announced today that it is now offering complete roofing services after acquiring its Roofing Contractor license in the State of California by the Contractors State License Board under license C39.

The Contractors State License Board (CSLB) protects consumers by licensing and regulating California's construction industry. There are 43 different licensing classifications and the Roofing Contractor License C39 is provided to professional contractors who install products and repair surfaces that seal, waterproof and weatherproof structures.

The roof is a very important area of the house that needs proper maintenance yet is often overlooked by homeowners. A roof in good condition protects the home from the weather, helps conserve energy, as well as helps prevent damage to the rest of the house. Treeium's [roofing services](#) include new roof installations, roof removal and replacement, coating and sealing, roof tile realignments, and roof repairs, among many others.

"We are proud to have received our Roofing Contractor License C39," said Moty Ginsburg, CEO of Treeium. "We continuously work towards adding a wide variety of remodeling services and look forward to providing our customers with more products and solutions for all of their home improvement needs."

About the Contractors State License Board The Contractors State License Board (CSLB) protects consumers by licensing and regulating California's construction industry. There are about 300,000 licensed contractors in the state, in [43 different licensing classifications](#)

. In addition to educating consumers about contractors and construction law, CSLB activities include administering examinations to test prospective licensees, issuing licenses, investigating complaints against licensed and unlicensed contractors, issuing citations, suspending or revoking licenses, and seeking administrative, criminal, and civil sanctions against violators. In fiscal year 2012-13, CSLB helped recover nearly \$44 million in ordered restitution for consumers.
