, a leading moving and storage provider, announced specialized transfer services for academic institutions as well as special pricing for schools and universities under agreements with the Educational and Institutional Cooperative Services, Inc. Now educational institutions, including K-12 schools, universities and colleges, can enjoy special cost savings on professional Berger Allied moving and storage services designed to address the unique needs of these organizations.

Schools and universities that choose Berger Allied moving will be able to benefit from professional household moves, lab relocation, project management and international moving services. Berger Allied has the special tools – such as climate controlled transportation vehicles necessary for school lab equipment – as well as the necessary experience in moving and storing products unique to academic institutions. Clients will appreciate the professional and timely moving services offered by Berger Allied that minimize downtime and expenses.

Berger Allied also provides a full range of complimentary resources for academic administrative professionals to assist with all aspects of the moving process. A dedicated move coordinator is assigned to each project to ensure exceptional service and clear communication throughout the move. Berger Allied moving is committed to providing individualized service at an affordable price.
