shop Ayers Repairs is celebrating 35 years in business this year.

Ayers Repairs says their secret to success as an auto repair shop is based on our Four Cornerstones of Care; Quality Service, Customer Care, Reasonable Prices and Community Involvement.

The auto repair specialists have a team of ASE certified mechanics who receive ongoing training in automotive technology and auto repair services. They provide professional automotive repair services for just about every make and model of vehicle, including advanced certification in Hybrid Service. Whether your vehicle needs a minor tune-up or a major overhaul, Ayers has trained service technicians who are highly skilled at quickly uncovering problems and implementing solutions.

Ayers Automotive Repair offers a wide variety of auto maintenance and auto repair services, specializing in Brake Services, Engine Repair, Transmission Repair, and Auto Electrical Service, at reasonable prices. With regular automotive repair specials, they offer customers dealership quality knowledge and experience without dealership pricing.

"We would like to thank all of the customers, employees, vendors, friends and neighbors who have helped make us the number one [auto repair shop in Santa Barbara](#)," said co-founder Nikki Ayers.

One thing that sets Ayers Repairs apart from other auto repair shops in Santa Barbara is their community involvement. They support causes such as the annual Peoples' Self-Help Housing
