(PRLEAP.CO

[M](#)) Santa Monica, CA - Lear Capital, America's Precious Metals Leader, announces the launch of their new Facebook application "Refer for Gold," an exclusive share app that can earn users a free gold or silver coin.

"Refer for Gold" is now available on Lear Capital's Facebook page, and it allows users to immediately share an auto-populated special offer via Facebook, Twitter and email in exchange for tiered precious metals rewards including up to a ½ oz. Gold American Eagle. Lear Capital is the first gold company to feature a social media referral app that compensates the referring party with pure gold or silver.

With all functionality occurring inside Facebook, "Refer for Gold" allows users to effortlessly refer friends, family members, or anyone interested in investing in precious metals to one of Lear's many precious metals investment opportunities.

You do not have to be a previous Lear customer to use the new application, and anyone can take part by registering with an email address and then simply clicking the "Share" button. And no worries ... Lear Capital tracks every referral via a unique code, so they know exactly who to thank!

It's the ultimate Win-Win!"I referred some friends that I knew were interested in buying silver. They got a great deal on some American Silver Eagles, and I got a free pure 1.5 oz. silver Arctic Fox coin just for sending them over. It's the ultimate win-win." A.K. "Refer for Gold" User

"Refer for Gold" is 100% secure. The referring party will receive a free gold or silver coin for making the referral while the referred party will receive Free Shipping and Free Insurance, a \$70 value, on their purchase of gold or silver bullion, premium coins, or semi-numismatic coins. You can check your reward points and which rewards you qualify for anytime at www.LearGoldReferrals.com

This offer provides a great incentive to diversify assets against global risk.
