

(PRLEAP.COM) Newport Beach, CA - May 14, 2014 -Marketing magazine Top Marketer is announcing a special issue featuring DS Domination Founder [Roger Langille](#)

The ever popular Internet Marketing training platform of Drop Shipping is on the rise and DS Domination is the leading the charge. Top Marketer Creative Editor and interviewer Max Kim recently sat down with Langille to dive deep into the intimate details of his life journey and the story of his rising internet business.

"Top Marketer has seen an upswing in online internet businesses in 2014 and more people than ever are searching for the best way to earn money at home during these difficult economic times," Kim said. "Here at Top Marketer, we thought it would be helpful to our readers to include an interview with the founder of a legitimate home-based business. Our interview with Roger Langille about his journey with [DS Domination](#) will enlighten and illumine our readers as they seek their own fortunes."

Launched in the spring of 2013, [Top Marketer Magazine](#) is a digital magazine, available via an app for Apple devices, that curates the best insights, analysis, context, debate and strategies related to digital, online and offline marketing. Top Marketer Magazine has something for every marketing professional and entrepreneur seeking information and inspiration.

Through the magazine, both marketing enthusiasts and entrepreneurs will gain a new knowledge in every professional issue they face. Insights come from interviews with the top
