MAY 15, 2014 – Columbus, OH – BestTransport, a leading provider of cloud-based Transportation Management (TMS) solutions, today announced that Inbound Logistics Magazine has named the company a Top 100 IT Logistics Provider for 2014 for the 7th consecutive year.

"When choosing the 2014 Top 100 Logistics IT Providers, Inbound Logistics editors looked at excellence in optimizing internal transport and logistics operations" comments Felecia Stratton, Editor, Inbound Logistics, "At a higher, more strategic level, selections were based on how transformative solutions impact outward-facing business activities driving integration across internal, as well as external, business processes. BestTransport was selected because its solutions solve specific logistics challenges and improve processes, and create a ripple effect of efficiencies across the entire value chain. Inbound Logistics is proud to honor BestTransport for innovative solutions empowering logistics and supply chain excellence in 2014."

"Our success is driven by our commitment to provide what our domestic and global customers need to be successful - flexibility, control, efficiency and cost management across all of their shipping operations," commented Mike Dolan, CEO of BestTransport. "To be named to the Top 100 Logistics IT Providers for 7 years running is an honor and a reflection of our constant effort to be the best in the business."
